The Best in Italian Cuisine!

To our Valued Guests,

We are delighted that you enjoy dining in our "home away from home," because Joe and I love people and good food. Over the years, we have tried to do everything in our power to please our wonderful and loyal guests; we have learned lessons in our journey, but due to the size of our small family restaurant and our deep desire to please you, we have initiated the following guidelines:

- We are unable to accommodate parties greater than 8 people during our normal operating hours. As always, however, if you wish to book a private party with more than 8, outside of our normal hours, please contact Lola or Joe to check available accommodations.
- We are unable to honor requests for a specific server.
- We are unable to assure "Take Home" orders on Friday and Saturday evenings; however, if you call and we have available time, we'd love to prepare your *dinner to go*.
- On Fridays and Saturdays, we are unable to "Desserts Only" until 8:00 p.m. through closing; however, "Take Home" desserts are always a great way to top off your meal at home.

It is our sincere desire that you can understand and know that this will help us provide the very best service and attention you deserve.

Thank you for your continued patronage!

Blessings to you and yours,

Lola & Joe
